SPEC SHEET

ELEMENT Slim

DESIGNED & BUILT IN THE USA

The Element Slim is designed for today's high-demand environments. Its sleek design securely houses up to 30 devices, while delivering a consistent 45W of power to each. The result is efficient, reliable charging that keeps every device ready for action when needed.

Element Slim shown in Platinum (PM)

EFFICIENT FOOTPRINT

Save valuable space in your classroom or office with a smaller footprint that still delivers full storage capacity.

FULL RATE CHARGING

Delivers a 45W charge to every device, every time. Whether powering one device or many, each charges at full speed for maximum efficiency.

ERGONOMIC DESIGN

The built-in handle allows for easy maneuverability without sacrificing storage space.

READY TO USE

The Elevate Slim arrives pre-assembled and ready for wiring at the time of delivery.

YOUR PRODUCT. YOUR IDENTITY.

Choose from one of our 16 colors and personalize by branding with your own logo.
