

## USE CASE

**INDUSTRY**  
Higher Education  
Retail Environment

**PRODUCT**  
Bretford's Carts  
& Stations

## APPLICATION

The use of iOS based devices are becoming increasingly popular for POS and scanning use in retail applications, bookstores and stadiums.

## CHALLENGE

Retail managers and Arena supervisors need their mobile devices to be readily available, charged and accounted for.

## SOLUTION

Bretford's Carts, Stations and Trays are optimized for iOS devices and offer an effective way to secure, charge and deploy the devices when needed.

PureCharge Station (10/20)

PowerRack (10)

PowerSync MiX Cart (30)
